

Procedure for Completion of Disability Forms

While disabled from work, many of our patients have requested HSRC to assist them in the completion of special forms which cover credit card, car payments, mortgage payments, short term disability income, FMLA, etc.

Our staff is willing to assist you with these needs. However, please understand these requests have become numerous, and the forms themselves are quite time-consuming to complete.

Therefore effective April 5, 2010, a payment of \$15 per form is required for completion. Please allow five days for HSRC to complete your form. There is **no fee** charged for the completion of State of New Jersey Disability Forms.

A check payable to The Hand Surgery and Rehabilitation Center of New Jersey must accompany the form to be filled out. If you are mailing forms to us, please address them to the attention of the back desk at the location where you see your physician.

Thank you.
